

ICRE Standard Thesis Template:

The ICRE Standard Thesis will be composed of the following sections (below) with content determined by primary and secondary research questions. Data must be human.

1. **Introduction** Introduces the problem, research questions, previous research on the problem, and the conceptual approach used in this study.
2. **Literature Review**
3. **Methods**: Describes in detail the research methods used in the study.
4. **Results** Provides a clear, systematic presentation of results, linked back to the research questions and conceptual model. It does not include interpretation or discussion of results.
5. **Discussion** Provides the opportunity to discuss the findings, compare them with previous research, and consider the implications of the findings.
6. **References**
