

ICRE Summer 2018 Course Schedule

The ICRE course schedule provides class listings and associated course information. The course information shared on this schedule is updated regularly to reflect any programmatic changes. Occasionally the University of Pittsburgh's official Course Catalogue will show different information than what is provided below. Please always rely on this schedule as the most accurate listing of our courses.

Please familiarize yourself with the terminology used in the course schedule:

Traditional Course	Students attend in-person lectures, recitations, and labs. Work done online at home is limited to course reading, homework and review.
Hybrid Course	Students attend in-person small group sessions. Lecture videos, course reading, homework and review are done online. This format reduces the time spent physically in class.
Group A Group B	Students are split into two groups prior to the start of term. These groups are determined by student preference and seat availability. Due to the large enrollment in our summer courses, creating subgroups within our courses allows for a richer student experience.
Small Group Session	In-person sessions that involve small group work and discussion.
Open Lab Sessions	Time periods when teaching assistants will be available in the computer lab to assist students with lab assignments. Students are able to attend open lab sessions when it is most convenient for their schedules.
Recitation	Presentation by a teaching assistant or instructor that supplements course materials. Please reference schedule for mandatory and optional recitation sessions.

General Enrollment Information:

- All students have five business days after the start of a course to add/drop the course.
- Students may take other courses offered by the University, subject to approval by their advisor and the Institute for Clinical Research Education.
- University offices are closed on Memorial Day (5/28) and Independence Day (7/4).
- Please email icre@pitt.edu with questions regarding the ICRE course schedule.

**ICRE Summer 2018 (2187) Course Schedule
Degree Programs in Medical Education**

Format	Class Number	Subject / Catalog Number	Course Title	Course Format and Days / Time		Room / Building	Instructor(s)	Credits
Hybrid	17175	MEDEDU 2005	Computer Methods in Clinical Research	Introductory Session July 3 Group A 11:00 AM – 1:00 PM Group B 1:00 PM – 3:00 PM Group C 3:00 PM – 5:00 PM	Open Lab Sessions July 5, 6, and 9 11:00 AM – 5:00 PM	Parkvale 222	Scott Rothenberger	1
Hybrid	17178	MEDEDU 2010	Clinical Research Methods	Small Group Sessions M,W,F* July 6 - August 24 Group A 10:30 AM - 11:30 AM Group B 11:45 AM - 12:45 PM <i>*schedule will rotate between days. Check extended schedule for details.</i>	Combined Recitation (optional) W July 11 - August 22 1:00 PM – 2:00 PM	Parkvale 305	Kathleen McTigue Kenneth Smith Marnie Bertolet	3

Format	Class Number	Subject / Catalog Number	Course Title	Course Format and Days / Time		Room / Building	Instructor(s)	Credits
Traditional	17176	MEDEDU 2020	Biostatistics	Lectures M,W,F July 2 - August 24 8:30 AM – 10:00 AM PUBHL G23	Recitation Tu, Th July 10 - August 23 Parkvale 305 Group A 10:45 AM – 11:45 AM Group B 1:00 PM – 2:00 PM	Dependent on session type – see previous column	Joyce Chang Jonathan Yabes	4
				Open Lab Sessions Tu, Th July 10-August 23 2:00 PM – 5:00 PM Parkvale 222				
Hybrid	17163	MEDEDU 2040	Measurement in Clinical Research	First and Last Session Held as Large Group Th July 5 & August 23 8:30 AM - 10:30 AM <i>Scaife Lecture Room 5</i> Small Group Sessions Th July 12 – August 16 Parkvale 305		Dependent on session type – see previous column	Galen Switzer	1
				Group A 8:30 AM - 9:30 AM Group B 9:30 AM - 10:30 AM				
Other	17115	MEDEDU 2080	Master's Thesis Research*	Please see instructor.			Carla Spagnoletti	1 – 3
Other	17116	MEDEDU 2080	Master's Thesis Research*	Please see instructor.			Carla Spagnoletti	1 – 3

Format	Class Number	Subject / Catalog Number	Course Title	Course Format and Days / Time	Room / Building	Instructor(s)	Credits
Traditional	18767	MEDEDU 2120	Professional Development	M, W 3:00 PM - 5:00 PM May 2 – May 30 No class 5/28	Parkvale 305	Dena Hofkosh Gabriella Gosman	1
